

Chevron Specialist Engineering Scholarships, University of Aberdeen, UK

Chevron is one of the world's leading integrated energy companies, with subsidiaries that conduct business worldwide. Chevron North Sea Ltd. is offering four Chevron Specialist Engineering Scholarships (one Mechanical Engineering Scholarship, one Petroleum Engineering Scholarship, one Chemical Engineering Scholarship, and one Electrical and Electronic Engineering Scholarship).

Description

The successful applicants will each receive £1,000 for year 3, £2,000 for year 4 and £3,000 for year 5 of their undergraduate degree programme (i.e. £6,000 over 3 years).

Eligibility

The scholarships are open to full time students commencing third year of any of the undergraduate degree programmes listed below in September 2012:

- MEng Petroleum Engineering (H850)
- MEng Chemical Engineering (H810)
- MEng Mechanical Engineering (H305)
- MEng Mechanical Engineering with Materials (H3JM)
- MEng Electrical and Electronic Engineering (H605)

Features of The Chevron Scholarship Programme open to Chevron Scholars:

- Financial support as detailed below
- Notice of internship opportunities with Chevron
- Mentoring

All students regardless of nationality or fee status are eligible to apply for the scholarships.

Criteria

The scholarship will be awarded on the basis of academic merit and demonstration of specific personal characteristics (please see guidelines for full details).

Application Procedure

Please complete the application form, and send it together with your CV and your reference.

Deadline: 22nd of October 2012

Further Info

If you have any queries not answered by the guidelines above please contact Jenny Styles, University of Aberdeen Development Trust (email: j.styles@abdn.ac.uk, tel: 01224 273597).

You will be told whether or not your application has been successful by email by 9 November 2012.
